

Nursing Rewards

For Nursing Graduates

Zero Interest for 48 Months

0% interest for up to four years (48 months) of repayment on qualifying non-federal RISLA loans.

Payment Reduction

There is a reduction in the monthly payment amount during the interest rate reduction period. During this time, the entire payment amount is applied to the principal.

How to Apply

If you have graduated and are working as a registered nurse in Rhode Island apply today with [RISLA's Nursing Reward Application](#).

Zero Interest | 48 Months

The RISLA Nursing Rewards Program is dedicated to helping solve Rhode Island's nursing shortage. By offering valuable incentives, this program encourages graduates to begin their careers in licensed healthcare facilities throughout the state. Join us in making a difference while advancing your nursing career!

[Learn More >](#)

- Applies to the RISLA Student Loan and to the RISLA Parent Loan on behalf of the benefiting student.
- The student must become a licensed registered nurse.
- The student must be employed by a licensed healthcare facility in Rhode Island and work at least 20 hours per week with the responsibility of direct patient care.
- Individuals who were licensed registered nurses prior to taking out a RISLA Student Loan or RISLA Parent Loan are NOT eligible for any rewards under this program. Additionally, RISLA refinance loans are not eligible for the nursing rewards program.
- Please note that federal loans are not eligible for this program.
- Other restrictions may apply. Note: RISLA reserves the right to terminate the Nursing Rewards Program at any time.
