## How To Play

### Simple steps. Real progress.

- Complete any square by finishing the task
- Get 5 in a row (horizontal, vertical, or diagonal)
- Keep going to complete the full board

**Each square = one step closer to real money for college**

## Pro Tip

### Consistency beats cramming

- Doing a little each week is way more effective than rushing at the last minute.
- Stay steady, stay organized, and those applications will add up.

## Why It Works

### Your Doing Great! You Got This!

- Breaks big goals into manageable steps
- Keeps students motivated and accountable
- Builds strong scholarship habits over time
